

## AFRICA BRETHREN YOUTH NETWORK

A declaration of our commitment at Echoes of Mercy Mission Kenya on 8th October 2024.

As the African Brethren Christian youth group, we are united and committed in Christ and called to love one another as He first loved us. We commit to building a community rooted in faith, love, and unity, reflecting the grace of God in our actions and relationships.

We commit to:

- Loving one another as Christ commanded, striving to live out His love in our interactions, and supporting each other in times of joy and challenge.
- Building unity within our group, embracing our differences, and working together to grow stronger in our faith and fellowship, always seeking to promote peace and understanding.
- Showing compassion and care by reaching out to those in need within and beyond our group, reflecting the love of Christ in practical ways that uplift and encourage others.
- Raising up future leaders who are grounded in their faith, equipped to serve others, and dedicated to spreading the gospel through love and service.
- Collaborating with others in the body of Christ to pursue common goals, using our gifts to support one another and to further, the great commission.
- Starting initiatives and teams that put our faith into action, focusing on sharing the gospel, helping the marginalized, and addressing the challenges faced by our generation.

Together, we place our trust in the Lord, believing in His power, grace, and purpose to lead us as we live out our faith and commitment to one another.
