OUR VISION

We are Developing Generation to impact the world for Jesus Christ.-followers who love God wholeheartedly and who live on mission with God to advance His kingdom. We believe young men and women we reach now in the next few years will impacting the whole world for Christ.

About Us

TFC Rwanda was started in 2014. After his Bible college in Kenya brother Aminadab founded the ministry in Rwanda. He answered this calling from the Lord. Aminadab saw the needs of the Teenagers who were suffering from Sin and poverty taking advantage of them. He introduced his vision to people who has same burden, God opened they heart to pay an cost it will take to joined this ministry at the beginning until today. It was started in Rusizi, Western Province and now it has extended into three other provinces of Rwanda with 36 full time, part time staff and Associates. Together we are able to reach over 66000 teenagers every single week in 2025 We believe we can reach more than 70000 Souls every single week

by God's grace is that we can be able to reach one million teenagers every single week through our weekly School Ministry and offer discipleship programs to teenagers.

As Product of weekly School Ministry Seek to Train Disciple makers in every place we go . after sowing the seed we proceed to take a good care of it so as to bear fruits. This is where TFC came up with developing discipleship classes with aim of developing more feature leaders. by 2025 We are going to have more then 1000 Teenagers graduating from our discipleship classes

TABITHA PROJECT

Over 50 women and Teens from poor families are offered training on Tailoring courses every year. after completing the course each get the capital to start small business to start helping their family themselves. The Management, teachers and mentors do evaluate how far they are running business every month. We are luck that courses are smoothly running by God's Grace.

SPONSORSHIP PROGRAM

Over 100 Children and Teenagers are sponsored to attend school after dropping out due to poverty problems The support provided consists of school fees. The support is provided to children from very poor families, orphans and victims of other problems related to family disintegration, divorce and many others. We thank those who donate their gifts to our Organization and those who regularly give so solve some of the problems people have including lack of salvation.

Stella Private School

Stella School has 97 Children it is less than one year old school with 19 staff the School has 400 kids Capacity The goal of the School is to offering financial support to TFC Ministry Activities from its profits it has Vision to have High School in the next 5 years. the Doors are open for sponsoring a Child, a Teacher or for a Class
